I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO
ONUCA FOR THE PERIOD 7 MAY 1991 TO 30 APRIL 1992

A. Period from 7 May to 7 November 1991

1. Under General Assembly resolution 45/247 of 21 December 1990, the Secretary-General was authorized "to enter into commitments for the Group at a rate not to exceed \$2,730,000 gross (\$2,633,000 net) per month, with the prior concurrence of the Advisory Committee, for the period from 7 May to 7 November 1991, inclusive, should the Security Council decide to continue the Group beyond the period of six months authorized under its resolution 675 (1990), the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution".

2. By its resolution 691 (1991) of 6 May 1991, the Security Council decided to extend the mandate of ONUCA for a further period of six months to 7 November 1991. The Advisory Committee on Administrative and Budgetary Questions (ACABQ) gave its concurrence for entering into commitments in the amount of \$14,400,400 gross (\$13,898,800 net) for the six-month period from 7 May to 7 November 1991. It further recommended that an amount of \$5,400,400 gross (\$5,398,800 net) from the unencumbered balance in respect of the appropriations for the period 7 November 1990 to 7 May 1991 should be credited to Member States against their assessments for the current mandate period. This served to reduce the level of commitments for the six-month period from 7 May to 7 November 1991 to \$9,000,000 gross (\$8,500,000 net). The amounts so apportioned have now been appropriated by the General Assembly under the terms of its resolution 46/196 of 20 December 1991 and are reproduced in section IV of the present document.

B. Period from 7 November 1991 to 30 April 1992

3. By Security Council resolution 719 (1991) of 6 November 1991, the mandate of ONUCA was extended for another period of five months and 23 days, that is, until 30 April 1992. Under the terms of its resolution 46/196 of 20 December 1991, the General Assembly decided to appropriate to the Special Account an amount of \$12,408,700 gross for the operation of ONUCA for the period from 7 November 1991 to 30 April 1992, inclusive. It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of \$408,700.

4. Additionally, it was decided that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to ONUCA until 7 November 1991 of the new Member States should be treated as miscellaneous income to be set off against the apportionments authorized as per above. The total of such income amounts to \$3,452 (see section VI below).

5. These amounts have now been apportioned among Member States for the period from 7 November 1991 to 30 April 1992 and are shown in section V

/...

below. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolutions 45/247 of 21 December 1990 and 46/196 of 20 December 1991.

C. Apportionment of the costs of peace-keeping operations

6. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

7. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

8. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

9. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including ONUCA. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including seven new Member States in 1991 (see section VI), and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/247 of 21 December 1990 and 46/196 of 20 December 1991. The percentage shares shown in sections IV and V demonstrate the results of the application of the scheme using the scale of assessments for the period 1989-1991, adopted by the General Assembly in resolution 43/223 A of 21 December 1988 as adjusted by resolution 45/256 B of 21 December 1990, and the scale of assessments for 1992-1994, adopted by the General Assembly in resolution 46/221 A of 20 December 1991.

c/ As stated in General Assembly resolution 46/221 A, the assessment rates of Estonia, Latvia and Lithuania are to be determined by the Committee on Contributions during its fifty-second session. The assessment rates will be deducted from the assessment rate for the Russian Federation of 9.41 per cent.

VI. ASSESSMENT OF NEW MEMBER STATES

11. Under the terms of paragraph 2 (b) of General Assembly resolution 46/221 A of 20 December 1991, for their year of admission, the Democratic People's Republic of Korea, the Federated States of Micronesia, the Republic of Korea and the Marshall Islands are to contribute at the rate of one ninth of 0.05, 0.01, 0.69 and 0.01 per cent, respectively. For their year of admission, Estonia, Latvia and Lithuania are to contribute at the rate of one ninth of the rates to be determined by the Committee on Contributions during its fifty-second session.

12. Paragraph 2 (c) of the same resolution further provided that, in the case of appropriations or apportionments approved by the General Assembly for the financing of peace-keeping operations, the contributions of these States, as determined by the group of contributors to which they may be assigned by the Assembly, should be calculated in proportion to the calendar year. The group of contributors to which the new Member States should be assigned was established by General Assembly resolution 46/196. The contributions of four of the seven new Member States for the year of admission are as follows:
